Success of Life

31 Years old Ali Hassan Buriro, Completed BSc Degree from collage side and beard the 14 Members of his family, because he and his younger brother Mohammad Ali Lived together with his two little sisters in abbasi mohalla Shikarpur, Ali Hassan felt proud when anyone called him shahenshah buriro, because his pet name is shahenshah, even his little nephews, children and wife called him shahenshah. For supporting to this huge memmbers of family, he has only little shop of Mobile accessories with 20,000 investments. Although he invested this amount yet beard expenditure of 3000 per month of his shop rent, electricity etc. he faced many difficulties to fulfill needs of routinely expenses for 14 Members of his Family.

One day Ali Hassan heard about the UCBPRP Vocational Training Program, in which he found his direction of life, he went to SRSO Mobilization Unit at nabi shah Mohalla near Panjguli and got complete information of Vocational Training Program, he has given his detail to SMU and shows interest in Mobile repairing, Because he already had mobile accessories shop, after three days UCBPRP Assessment Team has contacted to Ali Hassan, and shared all indicators of recommendation and rejection of Training. But after long discussion Ali Hassan recommended for mobile repairing Training at pindi, when he departure, only he had 300 Rs due Lack of Income and reached at there, he impressed from the UCBPRP VTP Setup and their Staff specially Talented teachers, he took fully interest and promised by himself to be

Best Mobile repairing Mechanic, during the training he got, 1st Prize (Shield) among 60 Mobile Mechanic Participants, additionally Teacher rewarded 300 Rs as 1ST Number in Class, After the training when he came back, he started this business and earns 800 Rs per Day ,

Ali Hassan said

We have needed many skills in the 21st century job market. The important thing to remember is that skills and abilities can be added or improved upon through education, training, and experience. We must continue

to develop and enhance our skills, and after income resource will come our way. He said I am ever time Thankful to SRSO-IRM for supporting me in success of life
