Success Story

Pakistan Reading Project

In Balochistan Monthly/Quarterly TIG Meetings were conducted, providing support visits to schools, Reading Learning material distribution and conducting Quarterly Review Meetings in the three cohorts. In addition, its regular follow up and coordination continued with schools and education department. The provincial and district teams also actively participated in the way forward workshop with senior management in the post EGRA scenario. IRM also successfully organized a 3-day CPD workshop for cohort-1 & 2 District staff. Moreover, Secretary Secondary education visited Balochistan regional office and held meeting with staff where he has been briefed about the project goals and objectives and PRP interventions in 17 districts of Balochistan. In the meeting the secretary Education advised that regional office Balochistan will arrange meeting of all the respective District Education Officers (DEOs) of the targeted districts here in Quetta with Secretary Education where they will share progress, issues and challenges regarding project implementation in their respective districts. IRM Team in FATA organized professional development training for primary school teachers (particularly Grade-I teachers) in four districts of FATA (including Khyber, Kurram, Orakzai and FR D.I.Khan). A total number of 920 teachers (625 male and 295 female) were trained on new teaching techniques / methodologies and utilization of intensive reading material introduced by the IRM-PRP in FATA.

Secretary Education chairing the Meeting with Regional Staff at Regional Office Quetta.

Assistant Director Education, FATA Secretariat addressing the training participants in District Kurram, FATA.

IRM has opened its International office at 29 Lincoln Inn's Field Holborn, London, its first board meeting was held on 15 May, 2018.

Yes I Do

Contributing into SDGs # 1, 2, 5 & 8, IRM Sindh has negotiated and became successful to initiate the Yes I Do project of Plan International Pakistan (PKR 17.85 Million-2018) in District Sanghar

and Hyderabad with a target to train 130 young girls (17 to 19 years). The project is aimed at the theory of change with focused interventions of empowering young girls through skill develop-

ment & entrepreneurship and making them aware on their basic human and legal rights including early marriages. For the interventions in District Hyderabad and Sanghar, IRM Sindh got NOC from the District Administrations.

SUCCESS

The Sindh Union Council and Economic Strengthening Support (SUCCESS) Programme is aimed at supporting GoS in developing its local Community Driven Development (CDD) policy and allowing for a wider geographical outreach and providing financial means for important impact in rural Sindh. The specific objective of the SUCCESS Programme is to reduce poverty through undertaking CDD based on RSPs' proven social mobilization approach. IRM is implementing vocational training

component in Tando Muhammad Khan, Sujawal, Matiari, and Tando Allahyar. So far in this project 651

men and 812 women have been trained while 1171 men and 1343 women are enrolled in different trades of training which include dress, designing, domestic tailoring, Achar Making, Beautician, Adda work, Agriculture and crop Management, Applique work, Bakery Products, Burka, Hijaab making, Car Driving, Computer Skills training, Hand Embroidery, Home based livestock farming, chips/kheecha making, Machine embroidery, Mobile phone repairing, motorcycle repairing.

Ride in Pink

IRM is currently implementing Ride in Pink project (Pink Rickshaw) in collaboration with NRSP & Plan Pakistan in district Chakwal and has identified the issue of girls' mobility which has been, hindering women's access to education or the job market. Ride in Pink project, which was initiated last year specifically focused on women empowerment and capacity building of women through driving rickshaws,

for supporting their families, which is running efficiently in the area. Nine Women Rickshaw drivers have completed their Driving training along with Rickshaw Maintenance training. Four Women Rickshaw drivers have received their Driving License while license case of other five drivers are under process. Registration of nine Rickshaw is also under process. Daily sessions are held with

rickshaw drivers regarding safe driving, problems sharing and improvement of driving techniques.

IRM 29th
BOD
meeting
was held
on 30th
June 2018.

Punjab Youth Workforce Development Project

The three-year Punjab youth Workforce development (PYWD) is a USAID funded project aiming to train and facilitate employment opportunities for 10,000 youths (35 percent women) between the ages

of 16 and 29 in the southern Punjab districts of Multan, Lodhran, Bahawalpur and Muzaffargarh. After equipping potential youth with market driven vocational and

technical skills, Project intends to extend its support to the trained youth with provision of toolkits to enable them to start their businesses as well.

Under this programme, interns attached to professional working environment for six weeks where they receive valuable hands on experience in the field of development. This unique program provides opportunities for interns to gain both theoretical knowledge and practical field experience in research during the program. This Year IRM received 3000 applications, 350 candidates were shortlisted for test and Interview. 20 candidates have been selected for SIP this year.

Success Story

Hina is a young girl working on cash counter of MC Donalds now a days. Hina earns a monthly income of 15000-20000 per month which helps her to support her family. But she was not able to do so before, In November 2017, she did a vocational course in software and advance graphics from vocational and technical center of IRM. During the course she kept searching for job ad after giving interviews at multiple places, she was selected at cash counter of MC Donalds. She works in MC Donalds in the morning shift, she is supporting her parents to meet their household expenses. According to Hina, due to learning from computer course she was able to pass test and interview. Hina is a role model for girls who want support their family but are unable to do so.
